

I rejoiced because they said to me,
**“We will go up to the
House of the Lord.”**

~ Psalm 122

The Bishops of the Illinois Province have been working diligently to create a plan to reopen Catholic Churches for Mass, Sacraments and private prayer.

The health and safety of our parishioners and that of our staff and volunteers is our highest priority.

Parishioner Risk Assumption

While our parish staff and Reopening Team attempt to take appropriate precautions consistent with the advice of public health authorities, parishioners and guests should understand that they assume the risk of contracting COVID-19 anytime they enter a public space, since such precautions do not eliminate the risk of infection.

It is with great joy that we are able to open the church for Masses!

In an effort to implement a safe and secure attendance reservation (ticketing) system and to maintain order, St. Anne has partnered with **Ticketleap** (referred to as **Save-a-Seat**) to offer an online reservation system.

- If you do not have access to the Internet or anyone who can help you make reservations, please contact the parish office at **630-554-3331**.
- Because the number of seats are limited, we will do our best to rotate people/families to give everyone an opportunity to attend Mass.
- To use the **Save-a-Seat** ticket system, you will want to be connected to the Internet using a computer, tablet/iPad, or smartphone.
